### Atlantida [Chapter 1]

For many centuries the inhabitants lived at peace and in harmony, thanks to their deep spirituality. This made the dark forces furious, who through their deceiving influences turned many high priests into dark mages of the black arts. The spread of these dark ideals weakened the empire of Atlantis itself.

### War of Destiny

A group of men in the 22nd Century, with the intent to gain power and control. Formed the WEA, The Worldwide Emergency Alliance, fighting against the super heroes and villains of their time. As the years went by, they managed to capture and contain many humans with super powers, even retired ones living in peace and exile with their families.
