## Atlantida [Chapter 1]

For many centuries the inhabitants lived at peace and in harmony, thanks to their deep spirituality. This made the dark forces furious, who through their deceiving influences turned many high priests into dark mages of the black arts. The spread of these dark ideals weakened the empire of Atlantis itself.

## Unmei [Chapter 1]

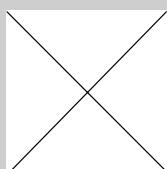

The Akeno clan, seeing such an open opportunity resumed their attacks... And so the clans lived with the hope that one day their fallen leaders would be reborn in the Young, and reveal the secret location of the Akzume Katana, their only hope to protect the sacred scrolls from the Akeno clan.
